wentity and bighty respectable is use of Messrs Voris & Bro., of this city, and presents ONE OF THE MOST WON-DERFUL CURES IN THE ANNALS of medical history. Mr. H. G. Farrell.—Dear Sir. Actuated by a sense of grate-fulness, I submit the following as an instance of the utility of yo'r great medicine. My child, three years old, was sud-denly attacked with a terrible disease, which in less than six hours prostrated it to total helpiessness. The limits be-came so riged that not a joint could be ben; the flesh turned black and cold and entirely deprived of feeling; the eyes fixed, partially closed and allogether blind, following this was deafness to all sounds, the spike became contracted and so curved that when ving our its back the head and beels only touched. Indeed, the cold presented every appearance. during the solution of the special section of and basyancy of spirits, can all be retained by using one your Limment had been used they would have recovered.

HENRY G. CLELAND.

Peoria, March 1st, 1851. A HARD LUMP ON A HORSE'S BREAST. Mr. H. G. Farrell:—I have used your Arabian Limment with gratification in several cases, the most remarkable of which was a large imp that appeared on my horse's breast.
It was very hard, appearing to be hard gristle. It remained
for nearly a year, when I applied your Liniment, one bottle
of which entirely cured it. I can recommend it as the lest
Liniment Lever used.

Look out for Counterfeitst The public are cautioned against another counterfeit, which has lately made its appearance, called W. B.
